Tell us how you'd like to be involved!

Events: Help us make our YPN Events the talk of the town! Be the first to get an invitation to our Mix and Mingle events and help promote them within your sphere.

Education: Be the first to know when our Fuel Your Business Lunch & Learn are happening and help promote them.

Volunteerism: YPN is involved in both Paint the Town and Rake up Boise annually. Want to help make someone's day?

Stay connected: Receive a quarterly summer of what YPN has been up to.

Serve on the Board: YPN is made up to two parts, our Advisory Board and our Network group. Our Advisory Board attends monthly meetings and plans and executes all events. This is a small group with only 15 spots per year. If you are interested in serving on the board in the future let us know.

Once you email this form to me at: angela@boirealtors.com you will receive a welcome letter from our Board Chair. You will be added to the correct mailing list(s) and we'll keep you in the loop on upcoming events and current hot topics.

If you ever have a question, my name is Angela Gibson, and I'm your staff liaison. I'll be happy to answer any of your questions!
