1. BRR Involvement includes but is not limited to volunteer positions on committees or boards (including Intermountain MLS and the Foundation), outstanding accomplishments and contributions, community involvement, participation in affiliated councils and societies, designations earned, BRR education, events, and activities attended, etc.
2. Members cited for an ethics violation (handled by Idaho REALTORS®) or a license law violation (handled by IREC) within the past two (2) years may be ineligible. This would be based on confirmation from Idaho REALTORS® or IREC. (Based on confirmation from Idaho REALTORS® or IREC. Details of any cases are not disclosed to the committee.)
3. Per BRR's Bylaws, "In Good Standing" means that an individual has fulfilled the requirements for their chosen class of Membership in the Association, and neither has voluntarily withdrawn from Membership nor has been suspended or inactivated from Membership. Consult BRR's Bylaws for more details, if necessary.
4. Open only to members in their first licensing period, or within two years of membership, whichever is greater. Nominee cannot have held an active REALTOR® membership at another local association within the previous two (2) years; applies to those who may have transferred membership and therefore, would not be considered as a "new" REALTOR®.
5. Preference will be given to nominees currently or formerly involved with the Idaho REALTORS® or National Association of REALTORS® professional standards or grievance committees, or IR's mediation or ombudsman programs; however, involvement in any of these groups is not required to be eligible. Additionally, no BRR involvement is required to be eligible for this award.

The Awards Committee may also refer to association and MLS records to consider the nominee's REALTOR® spirit and business accomplishments, including but not limited to past awards received; participation in the BRR Honor Society; responsiveness to local, state, and national Calls-to-Action; investments made to the REALTORS® Political Action Committee (RPAC) and/or the BRR Foundation; and/or, annual production. There are no minimum levels of participation, investments, sales, etc., required to be eligible.

Members may be nominated for more than one award; however, no member may be given more than one BRR Individual Award in the same year.

Awards Committee members are ineligible for individual awards during their committee term.
