### Months Supply of Inventory by Price Range

### Explanation of Metrics and Notes on Data Sources and Methodology

Closed Sales – A count of the actual sales that have closed; Median Sales Price – The price at which half the homes sold for more and half sold for less; Days on Market – Average, cumulative number of days between when a property is listed and when it goes pending; Pending Sales – A count of the homes that were under contract, and should close within 30-90 days; Inventory – A count of the homes for sale on the 11th day of a given month following the one reported; Months Supply of Inventory – Takes the number of homes for sale divided by the average number of closed sales by month for the preceding twelve months. A balanced market—not favoring buyers or sellers—is typically between 4-6 months of supply.
